EASY GUM CLEANUP

### EASY. SAFE. EFFECTIVE.

A unique freezing agent designed for fast, easy, and effective removal of gum and wax deposits from a wide range of surfaces. Its powerful formula instantly hardens gum and wax, making it simple to scrape or peel away without leaving sticky residue. Gum Gone works on carpet, upholstery, floors, furniture, walls, concrete, and asphalt—helping you restore surfaces quickly and with minimal effort. Gum Gone provides an easy, safe, effective solution.
